What an amazing human being – on so many levels – Jax Hamilton AKA JaxFoodHax

The story so far….

Since lockdown we've held seven food and drink chats – this is our 8th! To celebrate TWO MONTHS – of live food and drink chat I spoke to an extra special guest Jax Hamilton all the way from New Zealand! Yes, a late one for me and an early on for Jax.

I'd love to introduce the night in the established way – HERE'S THE LOCKDOWN BAND singing – Just Can't Get Enough…

–

Then over to THE CHAT WITH JAX's.

ENJOY…. (I'm off to the e-greenroom for a rum with the band!)
