

Shooting Wild Arbor and some top class desserts from Suzu...

It was a pleasure to be included on this development project with Suzu, from www.gourmetglow.co.uk

A bit about Suzu – Qualified Chef. Founder of Gourmetglow. Recipe Writer, Development Chef. Renowned for unique flavour combinations ? www.instagram.com/gourmetglow

Tasked with a newly discovered bottle of Wild Arbour – Suzu set to work creating these outstanding treats! Very generously Suzu has shared her recipes with us all. Give it a go – take a snap and make sure to tagg us all – we'd love to see if you can make this at home following the method below. BUT above all – please enjoy the food...and thanks to [Wild Arbour](#) too.

VEGAN CHOCOLATE MARTINI MOUSSE

INGREDIENTS

125ml Plant Milk

265g Vegan Dark Chocolate
330g Silken Tofu, drained
4tbsp Wild Arbour
 $\frac{1}{4}$ tsp Vanilla Extract
Pinch salt

METHOD

1. Place the milk in a pan and bring to a simmer over a medium heat (do not boil).
Allow to cool a little.
2. Melt the chocolate over a Bain Marie until molten.
3. Add the warm milk to the tofu and blend in a blender until smooth. Add the Wild Arbour, Salt and Vanilla and blend again.
4. Blend this mix with the chocolate and pour into martini glasses (this can also be chilled in a bowl). Chill for at least 2 hours until set.

CHERRY MUDSLIDE LAYER CAKE

INGREDIENTS

CAKE

60ml Wild Arbour
315g Plain Flour
300g Caster Sugar
1 $\frac{1}{2}$ tsp Bicarbonate Soda
 $\frac{1}{2}$ tsp Salt
360ml Almond Milk
2 tsp Almond Extract
120ml Rapeseed Oil
1 tbsp White Wine Vinegar
10 Drops Food Colouring (optional)

BUTTERCREAM

550g Icing Sugar, sifted
120g Vegan Butter
60ml Almond Milk
1 tsp Wild Arbour
Fresh Cherries to decorate

METHOD

1. For the cake. Preheat oven 180C. Grease and line 4 x 8" cake tins, set aside.
2. Sift the flour into a bowl with the Bicarbonate Soda and Salt. Whisk in the sugar.
3. Mix the Milk, Almond Extract, Oil & Vinegar in a jug and pour into the dry ingredients.
4. Whisk by hand until just combined (do not overmix) and divide into 4 bowls. Add 4 drops of colouring to one bowl, 3 to the next, then 2, then 1 drop to create graduating colours. Mix gently then pour into the prepared tins.
5. Bake for 15-20 minutes until a skewer comes out clean. Leave to cool in the tins for 5 minutes before removing and cooling completely on a wire rack.
6. Meanwhile make the buttercream.
7. Beat the butter in a mixer for a minute until smooth. Add

the icing sugar and beat slowly until combined. Add the wild arbour and a splash of the milk and beat until smooth. Add as much milk as you need to reach a buttercream consistency. If it appears thin, sift in more sugar.

8. To assemble, use a cookie cutter to cut circles out of each cake. Starting with the darkest, layer each cake, adding 1 tsp wild arbour to soak each layer, before spreading with buttercream.

9. Set in the fridge until firm before icing the sides of the cake. Top with cherries and serve.

VEGAN WHITE RUSSIAN TARTLET

INGREDIENTS:

100g Brazil Nuts, toasted

50g Oats

150g Medjool Dates, pitted

1tsp Espresso Powder

Pinch of Salt

300g Silken Tofu, drained

2tbsp Wild Arbour

200g Vegan White Chocolate

1 ½ tbsp Milled Flaxseed

Seasonal fruit to decorate

METHOD:

1. Grease and line 6 mini tartlet tins with coconut oil, set aside.
2. Place the nuts and oats in a food processor, pulse until ground. Add the dates and pulse again to form a paste. Add the espresso powder and salt, pulse again to form a dough.
3. Divide the dough into 6 balls and flatten each one in a tartlet tin with your fingers. Press up the sides of the tin and place in the fridge for a couple of hours to set.
4. Meanwhile, melt the chocolate over a Bain Marie until liquid.
5. Blend the tofu with the Wild Arbour until smooth.
6. Add the molten chocolate and flaxseed and blend again until smooth.
7. Divide between the tartlet cases and refrigerate for at least 4 hours to set.
8. Top with seasonal fruit if desired.

ALL OF US NEED THE ELIXIR OF A LITTLE WILDNESS

INSIDE ALL OF US IS A WILD THING,

AND THERE'S ALWAYS BEEN A PART OF ME THAT NEEDED TO REBEL.

A SMALL VOICE AT FIRST, AND JUST SMALL THINGS.

BUT I STILL FELT SO GUILTY.

SEEMED LIKE EVERYWHERE I LOOKED THERE WAS TEMPTATION AND
GUILT.

MY OWN GUILTIEST PLEASURE? CREAM LIQUEURS.

THE ONES THAT ALWAYS SUMMONED MY INNER DEMONS.

HOW CAN IT BE CREAMY BUT LAST SO LONG TUCKED AWAY IN GRANNY'S
CUPBOARD? WHERE DOES THAT COLOR COME FROM?

AND WHAT ARE THOSE ARTIFICIAL INGREDIENTS THAT WE HAVE BEEN
TOLD TO AVOID?
